

## June Quilt Block – to be in the July drawing

*Remember, the more blocks you bring, the more times your name goes in the drawing.*

## Blazing Arrows

This makes a 12" block!

Choose colors from the traditional side of quilting, no brights, whites or batiks. You know old timey, grandma colors.

### Supplies List

Color 1

Color 1 needs: one 3-1/2" x 14" strip AND one 3-1/2" x 13" strip AND one 7-1/4" square AND one 3-7/8" x 7-3/4" strip

Color 2

Color 2 needs: one 3-1/2" x 14" strip AND one 3-1/2" x 13" strip AND one 7-1/4" square AND one 3-7/8" x 7-3/4" strip

### Preparing the Pieces and Sewing the Block

Start by cutting the Color 1 and Color 2 3-1/2" x 14" strips into four 3-1/2" squares of each...

Stack the Color 1 and Color 2 7-1/4" squares right sides together and all edges aligned. Cut in half on both diagonals to make four quarter square triangles of each. Sew together two pairs of triangles in the manner shown at left. Sew the pieced triangle units together to make the block's center. The other quarter square triangles are extra and can be saved for another project or another block...

Now cut the Color 1 and Color 2 3-1/2" x 13" strips into two 3-1/2" x 6-1/2" rectangles of each...

CHQG June, 2017 Block of the Month

Next speed piece the half squares, by stacking the Color 1 and Color 2  $3\frac{7}{8}$ " x  $7\frac{3}{4}$ " strips, right sides together and all edges aligned. On the back of the top strip, lightly mark the  $3\frac{7}{8}$ " square line and mark the diagonals in the direction shown at left. Now sew a scant  $\frac{1}{4}$ " above and below the marked diagonals, pivoting at the square line. Now cut apart on the marked diagonals, and on the  $3\frac{7}{8}$ " square line. This will give you four half squares. Press seam allowances towards the darker fabric. Trim these back to measure  $3\frac{1}{2}$ " if needed...

To make a side unit, place a Color 2 square right sides together atop a Color 1 rectangle, with outer edges aligned. On the back of the top square lightly mark the diagonal. Sew on this diagonal marking. Cut off the excess seam allowance. Press the remainder towards the corner. Repeat this with another Color 2 square on the other end of the rectangle. Make two of these, and make two more using Color 1 squares and Color 2 rectangles...

Now lay out all your units as shown at left. Sew three horizontal rows, pressing the top and bottom row seams to the outside and the center row seam to the middle. Sew the rows together to finish your Blazing Arrows block! Congratulations on mastering another block!
