

Quick and Easy Receiving Blanket

Approximate finished size: 27" x 30"

Basic Sewing Supplies

Fabric and Notions

- 3/4 yard flannel print
- 3/4 yard coordinating flannel
- All-purpose thread

Instructions

1. Cut a 27" x 30" rectangle from each piece of flannel.
2. Set up the machine for ordinary sewing.
3. Place the rectangles of flannel right sides together, matching the edges.
4. Stitch together with a 1/4" seam, leaving an 8" opening.
5. Turn the blanket right sides out, and press.
6. Hand stitch the opening closed.
7. Set up the machine for Decorative stitching.
8. Select a decorative stitch, and sew around the blanket 1" from the edge.

Tip: You can use the leftover fabric to make a matching "burp cloth" following the same steps used to create the receiving blanket. Cut the fabric 10" x 24" and finish to match the receiving blanket.
