

Cedar Hill Quilter's Guild Visitors Form

Welcome to the Cedar Hill Quilter's Guild. We are so glad that you are here. Briefly, we provide learning experiences during our monthly meetings to improve members' quilting knowledge and encourage members to show their work. We also provide workshops to help members learn specific techniques and an annual retreat that is lots of fun and allows members to spend a weekend immersed in nothing but quilting. Our organization also donates quilts to community organizations.

The benefits of joining the Cedar Hill Quilter's Guild are:

- Access to our Guild Library
- Receipt of our Monthly Newsletter
- Christmas party and ornament exchange
- Participation in workshops that will improve your quilting
- Chance to network and form friendships with some of the nicest people in Southwest Dallas County!
